

Camp H.E.R.O. 2014

Greetings, Parents!

Summer is just around the corner and we are thrilled that you have considered Camp H.E.R.O. for your plans! H.E.R.O. stands for Health, Esteem, Recreation, and Opportunities. Our trained staff believes that it is vital for children to be given chances to be healthy, build up their self-esteem continuously, be involved in recreation within the community and with other children their age, as well as become open to opportunities to learn from others and just have fun! We've been preparing for you and your child for many months now, and are so excited for what is planned for our summer schedule. If registering for Camp H.E.R.O., this is what your child can look forward to:

- A chance to swim TWICE a week at Henderson Harbor Pool
- Themed weeks which focus on teaching a skill ("Riddle Me This..." – Problem Solving, "It Ain't Easy Bein' Green" – Environment, and more!)
- Presentations with fun, interactive speakers, including a local chef!
- More field trips!

To add to these opportunities, your child will be active throughout the day with planned games and activities to ensure that your child can fully exercise their energies. Along with games, our counselors will be administering daily themed crafts, indoor activities, and quiet reading times to stimulate the mind.
